Complimentary Benefit. The complimentary benefit extended

to Mr. McKelvey, will be given this this small recompense for his work; but they continue to be very confident. there is no need to say more upon this subject as you all know his worth. Tickets for this benefit are four bits each. If you have no ticket the money will be just as acceptable at the door. Everybody should go.

Mysterious Death.

About three months ago Mr. Bianchi sent Pes Besino to the mountains back of Franktown to notify a witness that he was wanted on a lawsuit. Hatal yesterday nothing has been heard of the messenger, though his friends had telegraphed and made inquiries in every direction. Yesterday Bianchi received a telegram from Carson saying that Besino's remains had been found, but gave no particulars. Deceased was about 26 years of age, a native of Switzerland, was a young man of steady habits, and quite popular among his countrymen. The inquest will be held

to be a grand success socially, and if appearances are not deceitful, financial-mission as impressive as possible. The ly. The enthusiastic crowd seemed defact that they are to be conveyed to termined to be pleased with all that was China in a attonal vessel wal suggest provided for their entertainment. The to the Came-e that our Government is aided in making things hvely. The supply of good things to eat held out bravely, notwithstanding the constant crowding of the tables. This evening will close the Fair for this year, and all will have a chance to rest after their continued dissipation for a good cause.

D. Banks McKenzie writes that he will be here to officiate in the Baptist Church next Sunday. He desires to Petersburg yesterday morning. meet the friends of that society to-morrow night.

Judge Lewis went below last night. Legal business will keep him in San

Francisco about a month. Herseback riding is now a favorite exercise with several of our young men

J. F. Alexander is here to remain sev eral weeks.

Judge D. C. McKenney is in town.

The Pacific Coast Delegates and the Chinese Question

Спсько, June 3.—The Pacific Coast man's buff. The dog enjoys the sport delegates yesterday afternoon adopted a samuch as maybody, and allows the resolution to be presented to the Com-youngsters to the the sack over his head mittee on Resolutions containing the following points: The right to regulate with a wild shout, and the dog, singling out intercourse between the people of the lowing him by scent alone. In one in-United States and all foreign countries stance the writer saw the dog pick his rests with the general government and must of necessity be governed by the laws of Congress and international and declined to trust himself to the treaties, and while it is the duty of both stream. the government and its people to respect the rights acquired under existing laws, it is also the duty of the government, but seem unable to make the animal see where the fun zens and legislate in their interest. In dogs less, Opening Chorus—Seven part song—
Zens and legislate in their interest. In the less. Doubtless the reason of this is that down have learned to distrust the Wademan, Mrs. Hanford, Mrs. Hill nese immigration now invading the Pa- advances of the white boys, having it rumous competition with our industrial | pans appended to their toils. classes, fearing its undus increase and the serious results likely to arise therefrom, and because the Chinese will not become citizens and cannot perform any political and public duties incident to citizenship, and because they cannot assimilate themselves and become ho-

mogeneous with our people. Resolved, That in the judgment of this convention the international treaty existing between the government of the United States and the government of China, should be so amended or modcided to have a ratification meeting as except for purposes of commerce, travel soon as it was known who were the and education, should be restricted; that the existing Commission to the Chinese government should be urged to and restrict the inflow of Asiatic people our country, and Congress ought without delay, and as a matter of national importance and urgent necessity, to cause to be passed laws to restrict Chi-

nese inumigration. When this resolution was introduced in full committee by Mr. Payne, there was considerable discussion. Mr. Payne first ballot will stand as follows: Blaine insisted that the Pacific coast people 312, Grant 295, Sherman 83. Edmunds must have this plank, or there would be serious peril to the party's success there. The Connecticut, Massachumember of the Committee on Resolution New Jersey and Illinois members opposed the resolution, but it was finally referred to a sub-committee, to be raised subsequently, with instructions to put in a plank that will be agreeable to the mr Western States. Mr. Storre sp-Permanent Organization and W. w. Pealed to the committee to drawnt mild, and this will be done. It is not probable that so radical a resolution will be child, operating like magic. It is perfectly me The first man who announces him- accepted by the full committee, but it is to resinal come, and pleasant to the taste, and self as a candidate for a county office understood that it will present a modi-

A Giowing View of Blaine's Chi nocs.

CHICAGO, June 3 -The demoralizaevening, and a large attendance is de- ti n of the G art men is generally consired, as the object and entertainment | c.ded this morning, but they still think are both worthy. The proceeds of this that they can beat Blaine by going over entertainment are intended to send Mr. in a to ly to some dark horse. At pres- date.
